Legal excellence, technical mastery of the insurance sector, and a strategic business vision. All of these enable our team to provide the market with innovative, creative, and efficient solutions, acting assertively across the vast spectrum of the insurance sector.

With a business-oriented approach, our experts in Insurance and Reinsurance work multidisciplinary, providing tailor-made legal solutions to a wide range of clients, from traditional insurers, reinsurers, and brokers to new industry players such as insurtechs, healthtechs, insurance aggregators, distribution platforms, and other service providers.

Our specialized insurance team pays close attention to the movements and trends in the complex and dynamic Insurance and Reinsurance market in Brazil and worldwide, standing out as the ideal partner for your business.

Among the broad array of services that we deliver, we may help your company to build and engage into new business fronts, create products and solutions, while also defending your interests in administrative, judicial, or arbitration proceedings.

# Highlights of our experience

Regulatory advice for insurers, reinsurers, insurtechs, insurance and reinsurance brokers, insurance agents and accredited policy registration platforms, etc.

Strategic litigation, arbitration, mediation and negotiation

Claims adjustment

Insurance distribution channels modeling

Designing insurance programs and products

Mergers and acquisitions

Investments structuring in insurtechs
